CAT SITTER

Long time Roosevelt Island resident (with two cats of my own) will lovingly care for your cat(s) while you travel. **I will spend 30 minutes per visit with your cat—providing food and the attention, affection, and playtime your pet misses while you are away.** I am happy to email or text you photos so you can see how your cat is doing while you are gone. Have peace of mind on your next trip knowing your cat is lovingly cared for.
